TAFE NSW

INTERNATIONAL

International Student Guide 2027

tafensw.edu.au/international

In the spirit of reconciliation, TAFE NSW acknowledges Aboriginal and Torres Strait Islander Peoples as the Traditional Custodians of Country throughout Australia, and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander Peoples today.

How to use this guide

1. Learn about TAFE NSW

tafensw.edu.au/international

TAFE stands for Technical and Further Education. Discover why TAFE NSW can provide the best start to your dream career. Learn about our teachers, locations, courses – and why you can feel safe choosing TAFE NSW.

Start thinking about where you would like to live, study and work in New South Wales (NSW), and get excited about launching your new career.

- Why choose TAFE NSW?: Page 4

2. Decide on a course and qualification

tafensw.edu.au/international

Find your ideal course using the profiles in this guide for inspiration. Visit **tafensw.edu.au/international** to discover all your options. Then choose the qualification level you require, whether certificate, diploma, advanced diploma, or bachelor degree.

TAFE NSW also offers English language courses, so you can improve your English and prepare for your studies.

- English language courses: Pages 10-11
- Course areas: Pages 13-67
- TAFE NSW Degrees: Page 68

3. Choose your TAFE NSW location

tafensw.edu.au/international/locations

Each TAFE NSW location offers its own unique characteristics. Visit **tafensw.edu.au/international/locations** to find out more.

- TAFE NSW locations: Page 8

4. Check the entry requirements and fees

tafensw.edu.au/international/apply/entry-requirements

Before you apply for a course, ensure that you meet all the entry requirements. You can find the course details, entry requirements, locations, intakes, and the course fee on the **TAFE NSW International website**.

Note that you may need to take an English test before enrolling in a TAFE NSW course, depending on visa requirements and your English language level.

- Your enrolment: entry requirements, visas and fees: Pages 72-73

5. Apply

Once you have decided on your course and location, you're ready to apply. You can do this through an education agent, online, or by email. The most popular method is to apply through a registered TAFE NSW education agent.

- Application Process: Page 70

Pathways to success

Forge your own path

Are you looking to fast-track your career? Don't waste time with false starts or wrong turns. Make every day count with a TAFE NSW pathway. Whether you're preparing for work, want to undertake further study, develop new skills, or pursue a specific career outcome, we have the perfect pathway for you. Your journey will be tailored to your unique combination of skills, experience, study preferences, and career goals. So take a moment to explore our most popular entry points, see what fits, and start planning your future today.

English Courses tafensw.edu.au/international/courses/english-courses

TAFE NSW offers intensive English language courses at government-owned and operated English Language Centres across NSW.

Certificates and Diplomas tafensw.edu.au/international/courses

TAFE NSW offers a range of nationally recognised vocational qualifications including certificate, diploma and advanced diploma courses.

TAFE NSW Degrees tafensw.edu.au/international/courses/degrees

TAFE NSW has a range of higher education degrees and diplomas to choose from, across a number of different campuses. Credit transfers allow graduates of some diploma and advanced diploma courses a pathway into accredited TAFE NSW undergraduate degrees.

University pathways tafensw.edu.au/international/courses/university-pathways

TAFE NSW has credit transfer agreements with a number of Australian universities. This means these universities will recognise your previous studies at TAFE NSW. These partner universities offer guaranteed entry with credit transfer for eligible students. How much credit you are eligible for varies, depending on your course, chosen institution and the grades achieved.

Student support services

Disability services tafensw.edu.au/student-services/disability-services

TAFE NSW Disability Services ensure that students with a disability have access, support, and equal opportunities while studying. Disability Teacher Consultants will assist with providing reasonable adjustment based on your individual needs and the course in which you are enrolled. Disability Teacher Consultants can also help with assistive and adaptive technology needs. Additional fees may apply.

Counselling and wellbeing services tafensw.edu.au/counselling-career-development-services

The TAFE NSW Counselling and Career Development service is free and confidential. It helps you succeed in your studies and plan your career, and is available to current and future students.

Learning support tafensw.edu.au/student-services/study-support

TAFE NSW provides valuable tutorials and learner support that can help in areas such as essay writing, maths, science or computing skills. Depending on your needs, you can access learner support at our 'drop-in' centres, in small groups or one-on-one. Call +61 2 7920 8888 to find out what study support services are available at your location.

Scholarships tafensw.edu.au/international/enrol/scholarships

International students may be eligible for a scholarship to support studies at TAFE NSW. All scholarship opportunities, eligibility requirements and closing dates are updated regularly on our webpage.

Safe places for learning and growth

At TAFE NSW, you will find study spaces, as well as vibrant places and opportunities to network, socialise, or to just chill out. These include cafés, gyms, student lounges, bookshops, galleries and exhibition spaces, as well as areas for student bands, barbecues, and theatre performances.

Jobs Connect tafensw.edu.au/student-services/jobs-connect

Our Jobs Connect program is available to all students. It helps you connect with employers and find job opportunities relevant to you. You'll also have access to employability workshops, industry insights and career events hosted throughout the year.

Student Benefits Program

Enrolling at TAFE NSW means you're part of our student and broader TAFE NSW community. Through our Student Benefits Program, you'll have access to activities and events throughout the year. This program is available to all TAFE NSW students.

© TAFE NSW International 2026 | Correct at time of printing (October 2026). RTO 90003 | CRICOS 00591E | HEP PRV12049

Library services tafensw.libguides.com

When you study with us, you'll gain access to our statewide network of library spaces and the latest digital and print resources. Our qualified library teams provide face-to-face and online support through:

- Unlimited access to our eResources anytime you need. This includes eBooks, journals, and databases
- 'Ask a Librarian' support service, connecting you with a librarian online
- Our 'Frequently Asked Questions' section
- Support with research, bibliography and referencing, using our online library
- Access to computers, software, Wi-Fi, study areas, photocopying, printing and more

Children's Centres tafensw.edu.au/partnerships/community/childcare-services

TAFE NSW has established campus-based Children's Centres, so your child can learn while you study and work. Our Centres are licensed to provide long day care for children from six weeks to under six years, under the Education and Care Services National Regulations. Our positive learning environment is based on the National Early Years Learning Framework, which guides our practice.

International Customer Experience Team tafensw.edu.au/international/support/services

At TAFE NSW, we have a dedicated International Customer Experience Coordinator. Your coordinator will organise a pre-arrival session and international orientation, and meet you when you arrive at TAFE NSW. They will help answer all your questions about your study program, visa obligations, and help resolve any problems by referring you to the appropriate support service.

Overseas Student Health Cover (OSHC) tafensw.edu.au/international/apply/oshc-health-cover

OSHC allows access to Australia's health services, helping you stay safe and get support while you study. This page explains how OSHC works and what it means for you. It's health insurance that all international students must have while studying in Australia. OSHC helps pay for medical costs during your stay. This can include visits to the doctor, hospital and other health services.

We recommend Medibank as the preferred provider and we can arrange the insurance for you. If you prefer, you can also choose another OSHC provider yourself.

For answers to frequently asked questions about TAFE NSW International, visit **tafensw.edu.au/international/support/faqs**

Choose a NSW location

Australia is a culturally diverse country, with people from many different backgrounds living and working together. Whichever TAFE NSW location you choose, you will have opportunities for social and recreational activities with local students through the International Customer Experience Coordinator.

Sydney

Sydney is the capital of New South Wales and one of Australia's largest cities. It is best known for the Sydney Opera House, Darling Harbour, Sydney Harbour Bridge, and the Royal Botanic Garden.

The Sydney region is bordered by beautiful coastlines and inner-city suburbs boasting lively theatre experiences, great restaurants, exciting nightlife and a vibrant cultural scene.

Western Sydney

Located to the west of the Sydney CBD (Central Business District), the Western Sydney region is one of NSW's diverse cultural hubs. The region is experiencing significant growth and is developing the industries and communities of the future.

Encompassing significant areas of national parks and waterways, the Western Sydney region is bordered by the World Heritage-listed areas of the Blue Mountains, including the 'Three Sisters'.

Northern NSW

Northern NSW is a regional hub fostering innovative, creative, and technology-based businesses. It is home to charming country towns, idyllic farmlands, Australian wildlife, and beautiful coastlines.

Expanding to the Queensland border, and home to award-winning wine regions and famous beaches, Northern NSW offers students an amazing opportunity to experience regional Australia, including beautiful heritage sites and ancient rainforests.

Southern NSW

Extending south from Sydney to the state border, the rolling hills and breathtaking ocean views of the Southern NSW region are a fantastic backdrop to your studies. Studying in the Southern region enables students to develop skills related to the industries that these communities support, such as advanced manufacturing, ICT, tourism, defence, and healthcare.

Western NSW

The Western region has iconic rural and outback landscapes to explore, as well as historic villages and townships. Travelling to Western NSW is made easy by air, road, and rail connections. You can journey to the heart of NSW and experience rich Indigenous culture, visit World Heritage-listed national parks, as well as experience the iconic Australian outback.

International students can choose from more than 30 locations across New South Wales.

English Language Courses

TAFE NSW can help you meet the English language entry requirements of your chosen vocational or higher education course. Our English language courses offer flexible study options and commence every Monday, 50 weeks of the year. Regional Centres may differ.

Once you successfully complete your English course, you will be confident in your ability to communicate, as well as automatically satisfy the English language entry requirements of your chosen TAFE NSW vocational or higher education course. You can study English as a stand-alone course, or package it with a TAFE NSW degree, diploma, or certificate course.

Strong study support

When you enrol, you will enjoy access to all campus facilities and online practice activities, as well as the support of our highly experienced and qualified teachers who can develop your reading, writing, listening, and speaking skills.

General English Program (Beginner to Advanced)

TAFE NSW has a range of courses designed to help you build your English language reading, writing, speaking and listening skills, as well as digital skills. These courses will help you feel confident using English within the community, at work or in further study.

CRICOS Code	Course Name	Duration	Award Level	Fee ($AUD)
049258C	General English Program	Up to 50 weeks (20 hours per week: face-to-face)	TAFE Statement	$340 per week (when packaged with a vocational and/or Higher Education course at TAFE NSW) $420 per week (standalone course)

The tuition fee is payable in advance. If your application for this program is successful, you will receive a letter of offer with payment details.

English for Academic Purposes

This course aims to improve your English language proficiency and academic strategies for successful participation in academic and Higher Education courses.

Please note, the length of your English course will depend on your English proficiency at the time of enrolment, your progress during the course, and the entry requirements for the course that you want to study afterwards.

For detailed course information and English language entry requirements, please visit **tafensw.edu.au/international**

CRICOS Code	Course Name	Duration	Award Level	Fee ($AUD)
0101064	English for Academic Purposes	Up to 20 weeks (20 hours per week: face-to-face)	TAFE Statement	$340 per week (when packaged with a vocational and/or Higher Education course at TAFE NSW) $420 per week (standalone course)

The tuition fee is payable in advance. If your application for this program is successful, you will receive a letter of offer with payment details.

Visit the website for the latest course information **www.tafensw.edu.au/international/courses/english-courses**.

A typical week in an English class

The best learning results come from mixing teaching methods, which is why you will read, write, listen, and participate in group discussions and conversations. With 20 hours per week of face-to-face study, you will learn English more easily and faster at TAFE NSW.

TAFE NSW English Language Centres

Sydney and Regional centres: Ultimo, Newcastle (Tighes Hill), Wollongong and Kingscliff*

Regional centre: Newcastle (Tighes Hill)

*English for Academic Purposes not offered at TAFE NSW Kingscliff.

Study & Career Pathways

TAFE NSW offers courses to help you develop the skills and knowledge you need to progress further in your studies. Whether you're hoping to continue to a higher-level course to improve your employment opportunities, or are seeking university entry qualifications, we have a course that can help you succeed.

The Certificate IV in Tertiary Preparation (TPC) is a university preparation course that can give you a Tertiary Entrance Score (TES), as well as effective writing, study and research skills. You'll also learn valuable skills in how to manage your time effectively, think critically, and behave in an appropriate manner in a learning environment, giving you the confidence to take your next step on your study or career journey.

Widely recognised

The vast majority of universities accept the TAFE NSW Tertiary Preparation Certificate (TPC) as an entry qualification.

Building & Construction

Building construction and design are integral to the transformation of our urban environments into liveable and sustainable spaces capable of accommodating diverse and expanding communities. These fields are essential components in the quest for creating cities that meet the needs of an ever-growing population, amidst the ongoing trend of urbanisation.

The fields of building construction and design offer many career opportunities within the building, construction, and property sectors. Whether you're seeking an apprenticeship, currently employed, or contemplating a career transition, you'll find a wealth of trades and disciplines to explore, with entry points tailored to your skills and aspirations. Pursue studies in these areas, and you'll embark on a journey where you can unleash your creativity, drive innovation, and contribute to shaping the future landscape of Australia.

Strong industry connections

Solid industry relationships are a cornerstone of the TAFE NSW approach. We have formed alliances with significant initiatives such as the Western Sydney Airport Skills Exchange, and actively engage with industry advisory bodies, associations, government agencies, as well as industry partners at both Commonwealth and State levels.

Industry career opportunities

- Architectural Draftsperson
- Builder
- Building Designer
- Building Information Modeller
- Building Site Manager
- Building Site Supervisor
- CAD Technician
- Construction Manager
- Geographic Information Services (GIS) Assistant
- Spatial Services Assistant

Job opportunities

Around 1,030 jobs are forecast to be created in the residential building construction sector in NSW through to 2029.^

Building & Construction

TAFE NSW Building & Construction

A building and construction qualification equips you with skills in project management, contracts, quality control, contractor selection, and the client communication skills you need to succeed in this exciting field. It can lead to a building contractor's licence, your own business, or a career managing construction projects.

Is it right for you?

- Do you have an interest in building and construction?
- Do you have good time management skills?
- Do you want to apply for a building contractor's licence?
- Do you want to start a business or move into management?
- Are you interested in managing business finances?

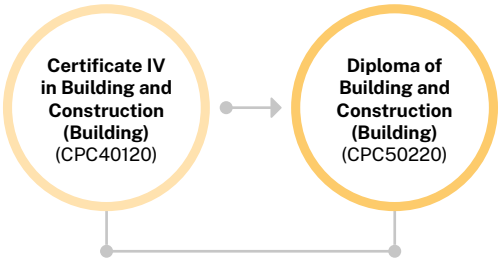

Potential career opportunities

- Builder
- Building Site Manager
- Building Site Supervisor
- Construction Manager

Employment growth

Around 2,000 jobs are forecast to be created in the early childhood education sector in NSW through to 2029.^

Children's Education & Care

The demand for early childhood professionals across Australia has never been greater, so now is the perfect time to step into a rewarding and fulfilling career.

TAFE NSW's comprehensive vocational and higher education courses provide a clear pathway for your career, from entry-level certificates to advanced qualifications. Whether you're starting fresh or upskilling, you'll gain the knowledge and experience needed to thrive in a dynamic profession, where no two days are the same. Through solid theoretical foundations and practical, hands-on experience, you'll learn to lead creative play, understand key developmental milestones, collaborate and communicate with families, or support vulnerable children through complex challenges.

Whether you're drawn to mainstream early childhood settings or aspire to support children with higher needs, TAFE NSW's flexible programs cater to diverse goals and learning styles, equipping you to make a difference where it matters most.

Recognised and respected

TAFE NSW delivers nationally recognised community services qualifications that are sought after by both government and non-government organisations.

Skills demand

There is strong demand for advanced manufacturing from high growth sectors such as energy, infrastructure, defence, aerospace, health and agrifood.[^]

Engineering

Advanced manufacturing, industry 4.0, robotics and the digital age – there has never been a more exciting time to work in the field of engineering. This is an opportunity to immerse yourself in the fourth industrial revolution, an era of connectivity, advanced analytics, automation, and advanced-manufacturing technology that is transforming global business.

You'll learn underpinning engineering skills in industry-realistic facilities, and develop those skills to ready yourself for roles in a vast number of industries including aviation, advanced manufacturing and robotics.

Whatever career you choose to pursue, you'll be hands-on, working with different technologies and experiencing different challenges and rewards, every day.

Job ready and sustainable focus

From sustainable technologies, automation, and material technology to communications and 3D modelling, your learning is always focused on the needs of tomorrow's workplaces.

Industry career opportunities

- CNC Machinist
- Engineering Technician
- Fabrication Tradesperson
- Fitter/Machinist
- Fluid Power Systems Technician
- Jewellery manufacturing and design
- Locksmith
- Marine Craft: Shipbuilding
- Mechanical Fitter
- Technology Engineer
- Watch and clock repairs
- Welder/Boilermaker

JOBS

Job opportunities

Around 2,000 jobs are forecast to be created in the agricultural, fisheries and forestry sector in the coming decades.^

Horticulture & Environmental Management

Turn your passion for the natural world into a rewarding career shaping a sustainable future for Australia. TAFE NSW is one of Australia's largest providers of land management and horticultural training. Thousands of employers and industry experts choose TAFE NSW each year, because we're passionate about providing the quality, practical experience that helps students to reach their career goals.

Our comprehensive courses cover a range of topics including plant cultivation, soil science, irrigation planning, pest control, and team management. Courses emphasise ecological restoration, environmental monitoring, and sustainable land use, preparing graduates to manage parks, gardens, and green spaces effectively. Whether you are just starting out or looking to take the next steps in your career, a TAFE NSW course can help you achieve your goals.

Strong industry connections

Our established and dynamic employer and industry networks enable us to design courses that build relevant industry knowledge and deliver high-quality, hands-on learning experiences.

Industry career opportunities

- Gardens and Parks Manager
- Horticulture Enterprise Manager
- Horticulture Supervisor
- Landscape Designer
- Lands, Parks and Wildlife Manager
- Senior Horticulturist
- Senior Ranger

Job opportunities

The NSW Government aims to grow the state's visitor economy to $91 billion by 2035, driving growth of up to 150,000 new jobs.^

Hospitality, Tourism & Events

The visitor economy, encompassing roles in hospitality, travel, tourism and events, has been recognised as one of Australia's high-growth industries. These sectors play a vital role in supporting Australia's economy.*

TAFE NSW has over 50 hospitality/training venues, including the Australian Patisserie Academy, and the Sydney Wine Academy. We support the Barista Project and Le Cordon Bleu to ensure TAFE NSW graduates gain real-life skills needed for today and the future workplace.

Our courses are informed by industry thought leaders and taught by experienced practitioners using innovative teaching methods. Graduate with a qualification that is highly regarded in Australia and around the world.

Strong industry connections

TAFE NSW works closely with leading industry partners to support student employment outcomes, providing first-hand insight into how tourism, hospitality, and events contribute to economic growth at both regional and national levels.

Industry career opportunities

- Accommodation Management
- Barista
- Bar, Service and Food Handling
- Cafe Manager
- Caterer
- Catering Supervisor or Assistant
- Chef
- Chef de Partie
- Cook
- Customer Service Management
- Executive Chef
- Hospitality Finance

Realtime

Employment growth

The Information Media and Telecommunications industry is projected to grow by around 790 jobs (or 1.1%) over the three years from 2026 to 2029.^

Information & Communications Technology

The ever-evolving information and communications technology (ICT) industry continues to be dynamic, progressive, and exciting. The need for technical support and creative solutions paves the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries, with specialisations matched to current and developing technologies; from cloud-based technology, Internet of Things (IoT), and big data analytics, to Artificial Intelligence (AI). Whether you are interested in a technical support role, the creation of systems and software, network administration, cyber security, coding and programming, or the design and development of games and websites, our digital and IT students graduate with skills that are in high demand within the workforce.

Hands-on education

High-tech computer laboratories include current high-end software and hardware aligned to specific industry domains, commercial grade networking, security and testing equipment, simulated working environments and partnerships with industry-leading companies.

Industry career opportunities

- App Developer
- Computer Programmer
- Computer Technician
- Front End Developer
- Full Stack Developer
- Help Desk Specialist
- IT Support Officer
- Network Support Technician
- Systems Administrator
- Web Developer
- Website Designer

Employment growth

The Australian cyber security sector will require an additional 4,800 jobs each year to meet projected demand by 2030.^

Cyber Security & Networking

TAFE NSW Cyber Security & Networking

Cyber security involves protecting the data and integrity of technological assets from vulnerabilities, theft, or damage. By studying a cyber security course, you will learn the valuable practical skills needed to connect to IT networks and effectively defend assets against a wide range of threats and cyber-attacks.

Is it right for you?

- Are you good at analysing situations?
- Do you enjoy problem solving?
- Can you communicate effectively?
- Do you enjoy fast-paced, changing environments?

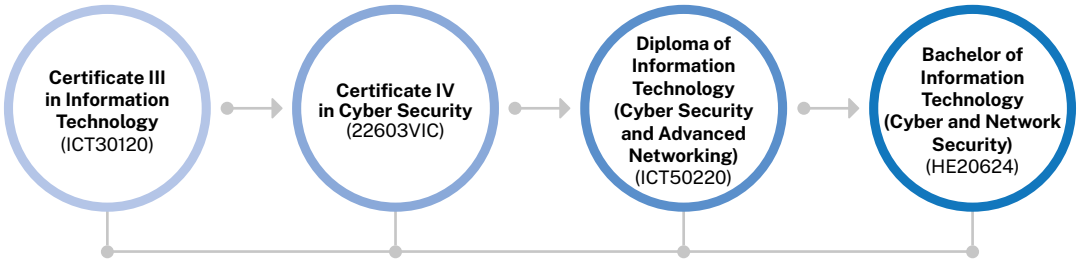

Potential career opportunities

- Computer Technician
- Help Desk Specialist
- Network Support Technician
- Systems Administrator

Marine Engineering

If you have a passion for the water then a maritime course can turn that passion into a career. At TAFE NSW, our Maritime Operations and Marine Engineering courses are taught by industry professionals who bring real experience and real connections, delivering training through practical, interactive environments, including advanced marine digital simulators.

Demand for skilled workers is strong, with clear pathways for everything from deckhand roles to marine engineering, with many offering international travel and long-term progression. And, because the maritime industry underpins global business and logistics, graduates can find opportunities with shipping lines, ports, terminals, manufacturers and freight companies.

With a strong focus on navigation, safety and hands-on capability, TAFE NSW courses align with AMSA guidelines to ensure you step into the industry job-ready.

High-quality facilities

Apply your skills in interactive learning environments, including simulated workspaces and field trips on vessels.

Is it right for you?

- Do you enjoy working on the water with boats?
- Are you practical and technical?
- Are you safety-conscious?
- Do you have good balance and coordination?
- Do you love the ocean and waterways?

Potential career opportunities

- Marine Mechanic or Engineer
- Ship's Engineering/Marine Engine Driver
- Ship's Master/Captain/Mate

Job opportunities

NSW's ports support around $140 billion worth of trade annually and tens of thousands of jobs.^

Maritime

Set sail in a maritime career working on charter boats, tugboats, commercial diving, research vessels, fishing trawlers, and offshore shipping. You can train to be a skipper or a deckhand, a marine engineer, or a shipbuilder. The employment opportunities in the maritime industry are endless.

TAFE NSW maritime courses are delivered by professionals using simulated environments that include digital marine simulators, ensuring you complete with real-world, practical skills.

Hands-on education

Develop your skills in a $5.2 million state-of-the-art simulator, navigation laboratories, or in advanced engineering workshops.

Industry career opportunities

- Boat Builder
- Charter Vessel Crew
- Coxswain (Small Boat Captain)
- Cruise Ship Worker
- General Purpose Hand/Deckhand/ Fishing Hand
- Marine Mechanic
- Maritime Trainer
- Ship's Engineer/Marine Engine Driver
- Ship's Master/Captain/Mate

Employment growth

Around 14,300 jobs are forecast to be created in the Arts and Recreation Services industry in Australia until 2030.^

Media, Fashion, Design & Entertainment

The benefits of the creative industries to the Australian economy are seen in our flourishing design, fashion, interior design, music, film, art and digital industries. More than half a million Australians now work in the creative industries, and the sector is known for being one of the most dynamic, culturally diverse, socially inclusive and technologically advanced in the country.

TAFE NSW arts, music, fashion, design, film, and TV courses are developed in close consultation with industry. When you choose TAFE NSW, you'll learn in industry-standard facilities, from experienced teachers who are passionate about what they do. Choose from a variety of disciplines and start at a level to suit you. A career in arts, music, fashion, design, film, TV, game development, animation, podcasting or social media will give you a chance to become a part of Australia's creative economy.

Strong study pathways

TAFE NSW offers a range of creative industry degrees. Pathways also exist to other higher education providers.

TAFE NSW Degrees

A TAFE NSW degree will teach you the real-world skills that employers are looking for. Taught by industry professionals in top-quality facilities, our degrees are in industry sectors as diverse as ICT, Fashion Design, Applied Commerce, Early Childhood Education and Care, Business, Hospitality and Hotel Management. With a TAFE NSW degree, you will graduate with strong theoretical knowledge, practical experience and industry connections that will give you a head start in your career.

The TAFE NSW Degree difference

- Learn from highly qualified, friendly, and industry-experienced teachers
- Enjoy smaller class sizes for an enhanced learning experience
- Study with a community of like-minded students
- Be connected with our many industry partners
- Learn in industry-standard, purpose-built facilities
- Earn degrees that have been developed in consultation with industry to ensure currency and relevance
- Get valuable industry experience in work placements and internships

Get more information

At TAFE NSW, we are continually expanding our range of higher education opportunities in metropolitan and regional locations. Visit **tafensw.edu.au/international/study/courses/degrees** for more information about our courses, delivery locations, application processes, and tuition fees.

> I am immensely grateful for the support and encouragement I received at TAFE NSW. The educators played a crucial role in motivating me to study and strive for excellence. Thank you all for making a significant difference in my education.
>
> Gracie, Early Childhood Education and Care

TAFE NSW Degree Pathways

On successful completion of a TAFE NSW course, TAFE NSW Degree Pathway programs can provide you with a guaranteed pathway to enter a bachelor's degree, with credit towards the degree. Credit transfer arrangements vary from program to program and are available for TAFE NSW degrees, as well as with our university partners.

Advantages of a degree pathway

- Get two recognised qualifications (often in the same amount of time it would take to complete a single degree) with practical, career-focused skills to accompany your degree
- Begin your studies in a small-class setting, with individual access to teachers and support staff
- Possibly lower the total cost of obtaining a degree

University Pathways

TAFE NSW has credit transfer agreements with a number of Australian universities. This means these universities will recognise your previous studies at TAFE NSW. These partner universities offer guaranteed entry with credit transfer for eligible students.

UTS University of Technology Sydney
CRICOS Provider Code: 00099F
uts.edu.au/future-students/international

Charles Sturt University
CRICOS Provider Code: 00005F
study.csu.edu.au/international

University of Wollongong Australia
CRICOS Provider Code: 00102E
uow.edu.au/study/international

The University of Newcastle Australia
CRICOS Provider Code: 00109J
newcastle.edu.au/study/international

ACU Australian Catholic University
CRICOS Provider Code: 00004G
acu.edu.au/international-students

Articulation

TAFE NSW has articulation agreements (credit transfer) with many Australian universities. This means that you could receive course credit at university for your previous studies, and not have to repeat subject areas you have already covered at TAFE NSW.

Find out more at **credittransfer.tafensw.edu.au**

Application process

1. Choose a course and location

Pick the location where you want to study: See page 8. Or visit tafensw.edu.au/international/locations for more information. Make sure you meet the entry requirements: See page 72 or visit tafensw.edu.au/international/apply/entry-requirements for more information.

2. Download and complete the application form

For TAFE NSW to university packages, follow the respective university application process at tafensw.edu.au/international/apply/steps-to-apply

3. Prepare certified copies of your documents

A certified copy is a copy of the original document signed and dated by the organisation that issued the original document, a government official, Public Notary or Justice of the Peace, or an education agent of TAFE NSW, confirming that they have sighted the original.

4. Submit your application online

Visit tafensw.edu.au/international/apply/steps-to-apply to access and submit your application. A TAFE NSW education agent can assist if you need help. For Higher Education Information Technology degree programs, you are required to submit a questionnaire and statement of purpose.

5. Receive offer letter

A TAFE NSW Admissions Support Officer will assess your application and issue your offer letter(s) with an invoice.

6. Make payment

Accept your offer and make payment.

7. Get a Confirmation of Enrolment (CoE)

Your Admissions Support Officer will issue a Confirmation of Enrolment (CoE).

8. Apply for visa

Apply for your visa and enrol at TAFE NSW.

Course entry requirements

TAFE NSW international student applicant qualifications are assessed as part of the admissions process. Visit tafensw.edu.au/international/apply/entry-requirements for academic equivalences by country.

As a general guide, for diplomas and bachelor degrees, Year 12 or equivalent is required. Please also note:

- Additional requirements apply for most degree courses.
- To enter a diploma or advanced diploma course, you may need to complete a Certificate III or Certificate IV course, or demonstrate an equivalent skill level. If a prerequisite applies, you will receive an offer letter, which includes both the lower and higher level course.
- For design, digital media and fashion technology courses, you are required to submit a portfolio, design or written task along with your application. For music courses, submission of audio or visual files and/or attending an audition demonstrating musical performance may be required.

Visit tafensw.edu.au/international/apply/entry-requirements for detailed information about entry requirements.

For Higher Education Information Technology degree programs, you are required to submit a questionnaire and statement of purpose.

Your level of English

The minimum English language requirement is Academic IELTS 6.0 (with no individual band less than 5.5) or TAFE NSW General English program.

TAFE NSW bachelor degrees require Academic IELTS 6.5 (with no individual band less than 6.0) or TAFE NSW English for Academic Purposes course.

Diploma of Nursing requires Academic IELTS 7.0 (with minimum scores: Listening 7.0, Reading 7.0, Speaking 7.0, Writing 6.5) or other equivalent acceptable test scores.

TAFE NSW offers English language courses: See Page 10.

Your student visa application

To apply online for a student visa (subclass 500), visit:
immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

If you do not have an ImmiAccount, you will be prompted to create one. You can use the Department of Home Affairs (Home Affairs) online tool to check the financial and English requirements that apply to you:
immi.homeaffairs.gov.au/visas/web-evidentiary-tool

If you are applying for a student visa from outside Australia, and if the online tool asks you to provide any additional financial or English language evidence, then you will need to apply through a TAFE NSW education agent.

For comprehensive information regarding student visas, visit the Home Affairs website:
immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

Attendance and Course Progress Requirements

As an international student, you are required to maintain satisfactory attendance and course progress throughout your enrolment. This means you must actively participate in your course, meet academic requirements and attend scheduled classes as outlined in your course timetable.

Your attendance and academic progress will be monitored regularly in accordance with the National Code 2018. If you are identified as being at risk of not meeting these requirements, you will be contacted and offered support and intervention strategies. Ongoing unsatisfactory attendance or course progress may result in formal intervention and could affect your enrolment and student visa status.
